A Report on ‘International Mother Language Day’

Bharatesh Education Trust Global Business School celebrated International mother language day on 21st Feb 2022 in its campus by organizing an Elocution competition for the students of Master of Business Administration. A total of 20 students participated in this competition and spoke about their mother language. The students gave excellent speeches which explained the origination of those languages, importance of these languages to some specific communities, growth of the languages during the dynasty rule in the country. They also highlighted the importance to preserve them to safeguard our culture and heritage.
