

Tree Plantation Drive

A tree plantation drive was organized by OmDayal Group of Institutions on 18.07.23 and 19.07.23. The objective of the program was to create awareness among the students and staffs about the climate change and adverse effect on us. The students are introduced to the idea of “Ek Bharat Shreshtha Bharat”. They are also reminded about the importance of “Jal Shati Abhijan” and tree plantation activity. The Principal, Vice Principal, faculty members, administrative staffs, and students of OmDayal Group of Institutions have planted new saplings. 55 students have actively participated in that program. Some of the pictures are given as following:
