

Report on Plantation Drive on 17th September, 2024 at OmDayal Group of Institutions

The EBSB cell of OmDayal Group of Institutions organized a tree plantation drive at the college campus.

The Vice Principal, faculty members, staff, students took part in the drive. Saplings were distributed among the members for the plantation and they were planted in various places in the campus under the monitoring of the college gardener.

The objective is to install a sense of responsibility towards nature and contribute to environmental education, aligning with the broader goals of sustainable development.

The drive was successfully conducted and the college has taken a vow that not only for a particular day but throughout the year we will maintain the plantation drive for maintain a green campus which will have a positive impact in the nature.
