Content	<p>International Mother Language Day is observed globally every year on February 21st, to promote linguistic and cultural diversity and multilingualism. Language plays an important role in bringing about change and growth in human civilization. In this backdrop Mangalmai institute of management and technology, Greater Noida organized a poetry activity for the students. The activity coordinator, Ms. Sonali Chauhan spoke about the importance of this day which helps the students to enhance their communication skills along with the culture and heritage of the language as it demanded in the present scenario. The students came up with different poetry and songs in their mother tongue like Hindi, Assamese, Bangla, Gujarati, Maithili, Punjabi. The students participated with full zeal and felt connected with their roots.</p> <p>Today there is growing awareness that languages play a vital role in development, in ensuring cultural diversity and intercultural dialogue, but also in strengthening co-operation and attaining quality education for all, in building inclusive knowledge societies and preserving cultural heritage, and in mobilizing political will for applying the benefits of science and technology to sustainable development.</p> <p>This day celebrates languages and multilingualism as powerful tools for social inclusion and global development. For societies to be sustainable, cultural and linguistic diversity is crucial. Furthermore, it provides unity and togetherness throughout the world as one family</p>
Objective	To highlight the importance of everyone's mother language, as well as multilingualism, to build sustainable and inclusive societies.
Outcome of Activity	It promoted unity in diversity and understanding through multilingualism and multiculturalism in students from different

	cultures.
