ACTIVITY REPORT

Name of the Activity: Awareness About Management of Freshwater Resources on World Water Day

Venue: West K.K. Nagar

Date: 21/3/2022 – 22/3/2022

Number Of Participants: 395 Students And 28 Faculties

NSS in association with MAHER-FHS conducted activity in view of “World Water Day” on 21st and 22nd March 2022. The Resource person from Eco Club Mr. Suresh delivered a talk on “Rain water Harvesting” mentioned the need of water and steps to preservation and conservation of water. A total of 395 students attended the program for two-days.

For creating awareness, pamphlets were distributed to the general public about water scarcity, how to preserve the water resources and methods to save water for future generation. Many people came to know about the methods of saving of water. It was ended with the theme “Save Water, Save the World”.

BENEFIT OF PROGRAM:

Saving water from our daily routine activities was explained in this way:

Taking bucket-baths instead of showers.

Turning off the tap while shaving or brushing teeth.

Immediately fixing any leaking taps and pipes in our homes.

Practicing rainwater harvesting to reduce the wastage of rainwater.

It was very beneficial to the general public to get awareness on methods of water saving.
