REPORT ON YUVA SANGAM PHASE II UNDER EK BHARAT SHRESTHA BHARAT FROM 11TH MAY TO 17TH MAY, 2023

An initiative of "Yuva Sangam Phase II under Ek Bharat Shreshtha Bharat" has been conceptualized as a collaborative effort of the Ministry of Education along with other various ministries with an aim to strengthen people to connect and build empathy among youth across the nation. The initiative is inculcating common spirit of understanding among thousands of youth participating in the program, which shall resonate throughout the country and contribute immensely towards building a truly Shreshtha Bharat. Under this program, the visiting youth will have the opportunity to gain a multi-dimensional exposure in five key areas: Paryatan (Tourism), Parampara (Traditions), Pragati (Development), Paraspar Sampark (People-to-people connect), and Prodyogiki (Technology) in Rajasthan.

A brainchild of Ministry of Education, the idea of Ek Bharat Shreshtha Bharat was conceptualized and structured by the Hon'ble Prime Minister of India Shri Narendra Modi towards creating a cultural connect between the various states of India. In the pilot phase of Yuva Sangam, 11 Higher Education Institutions from North Eastern India and 14 from the rest of the country had been paired. In the first phase of visits, more than 29 visits between the paired states with 1150 youth along with 120 coordinators have already been completed. In the second phase, 20 Higher Education Institutions from pan India have been paired to conduct exposure tours in similar fashion.

MNIT Jaipur as the Nodal Institute

Malaviya National Institute of Technology, Jaipur has been selected as the Nodal Institute of "Yuva Sangam Phase II" under the program "Ek Bharat Shrestha Bharat" by the Ministry of Education for coordinating exposure tours of youth from Odisha to Rajasthan and vice versa in coordination with the Nodal Institute of Odisha "Indian Institute of Technology Bhubaneswar". A press meet was held on 07.05.2023 where the Director MNIT Jaipur addressed the media and briefed them about the details of the oncoming tour. The Hon'ble Director of MNIT Jaipur, Prof. N. P. Padhy in his address emphasized the multi-dimensional exposure of the participating delegates from Rajasthan and Odisha. They will visit the different districts of the respective states and experience their culture under five broad areas — Paryatan (Tourism), Parampara (Traditions), Pragati (Development), Paraspar Sampark (People-to-people connect), and Prodyogiki (Technology).

Prof. N. P. Padhy explained that the Institute had received overwhelming response and almost 1500 applications were registered on the Government of India's portal of Yuva Sangam for selecting 45 delegates from all over Rajasthan for travelling to Odisha. A group of 45 youth comprising of 28 boys and 17 girls from both urban and rural backgrounds have been selected from various districts of Rajasthan including Jaipur, Ajmer, Bharatpur, Chittorgarh, Alwar, Udaipur, Jaisalmer, Sikar, Sawai Madhopur,

Rajsamand, etc. from the age group of 18-30 years from various disciplines in alignment with the directives from the Ministry of Education. Under the aegis of this program, a team of 50 delegates including

45 youth and 5 staff coordinators would be on a tour of Rajasthan from May 11th – 17th, 2023.

Prof. Mahesh Jat, Dean, Student Welfare, MNIT Jaipur, informed that the delegates shall be visiting Amer Fort, Jantar Mantar, Hawa Mahal, the walled city in Jaipur, and more. They will also be taken to the research & lab facilities, start-ups in MNIT. In their visit to Udaipur famous places like Shri Ek Ling ji Temple, Maharana Pratap Museum, Fateh Sagar Lake, Shilpgram, etc. will be covered. The visit has been planned to enable the delegates from Odisha to experience the traditions, local crafts and cuisine, industries and research development of Rajasthan. A closing ceremony shall be held at the end of the tour on May 17, 2023 with invited dignitaries.

Simultaneously, a team of 45 youth with faculty coordinators from MNIT Jaipur shall depart for Bhubaneswar on May 15, 2023 to be flagged off by an invited dignitary. The Rajasthani delegates shall be received by IIT Bhubaneswar for coordinating the Odisha tour to be conducted till May 22, 2023. MNIT Jaipur stands extremely honoured and privileged in being instrumental in contributing to this great confluence of youth across India exploring each other's cultures and geographies towards realising the quintessential oneness of the country as One India, "Ek Bharat Shreshtha Bharat".

The mobility of the delegates across the States through trains and buses shall be managed by IRCTC. In addition to this, various interactions at Raj Bhawan, startup entrepreneurs, local craftsmen, etc. have been planned by the Institute. The Ministry of Education has connected the Institutes to the Ministry of Information and Broadcasting, Zonal Cultural Centres to seek support for smooth conduction of the program and also Ministry of Home Affairs for providing security personnel to the delegates while travelling.

DAY 1: 11.05.2023

A delegation of 45 youth and accompanying staff from Odisha arrived at the MNIT campus on 11th May 2023 at 6:00 PM. They were flagged off formally from IIT Bhubaneswar by Mr. Sudarsan Patnaik – the famous sand artist of Odisha.

On arrival of the delegations, they were accorded a grand welcome at the MNIT Jaipur Campus with the traditional dance performance on 'Padharo Mhare Des' song and welcomed with Tilak, garlands and Rajasthani chunri.

Dr. Pooja Nigam, Nodal Officer for Rajasthan, Ek Bharat Shreshtha Bharat-Yuva Sangam 2 provided information about the itinerary of the program. The invited team will be taken on a tour of the major sites of Rajasthan and will be introduced to Rajasthani cultural heritage, lifestyle, customs and major historical places on May 12-13, 2023. On May 12, 2023 they will visit the Governor House in Jaipur to meet His Excellency Mr. Kalraj Mishra, Governor of Rajasthan. The youth delegation will then visit the newly constructed Constitution Park at Raj Bhavan. On May 13, 2023, they will visit the Amber Fort, Jal Mahal and Albert hall Museum in Jaipur. and On May 14, 2023, they will travel to Udaipur for a two-day tour, during which they will be introduced to the history of Haldi Ghati and Pratap Gaurav Kendra. On 15 May, they will be visiting Udaipur sites like Ekling ji Temple, Bagore ki Haveli, Shilpgram. Their visit shall be supported by the West Zone Cultural Centre, Udaipur. On 16th May they will also be taken to one of the five villages adopted by MNIT under Unnat Bharat Abhiyan to experience the rural Rajasthani lifestyle. In addition to this, under the Buddy System, 45 MNIT Jaipur students were assigned to each Odisha youth delegate to stay connected with them and assist during their stay. They were also expected to help them in getting acquainted with the campus life in MNIT and also the Rajasthani culture.

On May 17, 2023 MNIT will organize a block printing and a tie and dye workshop for the youth at the institute campus. Apart from an interaction session about research and innovation facilities (startup facilities) available at the institute, tree plantation program in MNIT will also be conducted. This will be followed by the closing ceremony of the cultural excursion tour on the same day.

During the interaction session with the delegates from Odisha, Dean, Student Welfare, MNIT Jaipur, Prof. Mahesh Kumar Jat welcomed the delegates and provided information about the stay of their tour. He also talked about the significance of the sites chosen for visit in the itinerary and also Rajasthani cultural heritage, lifestyle, customs, heritage and major historical places of Rajasthan. He also welcomed the team from Odisha and talked about the necessary guidelines to be followed by the delegates throughout the tour and conveyed his best wishes on behalf of the entire institute for a successful program.

In a similar vein, a team of youth selected from different districts of Rajasthan will visit Odisha state with the officers of Nodal Agency MNIT Jaipur on May 15, 2023 to explore the culture and lifestyle of the people of Odisha.

DAY 2: 12.05.2023

On the first day of their trip to Jaipur, delegates from Odisha with accompanying students and faculty members from MNIT, visited the Materials Research Centre located within the MNIT Campus. They learned about the various facilities promoting interdisciplinary cutting edge research in the emerging areas of materials technology. Then they visited the Governor House and met Shri Kalraj Mishra, Hon'ble Governor of Rajasthan Jaipur on May 12, 2023. A spirit of pride and happiness marked the visit of the youth of Odisha to the Governor House at Jaipur. A warm welcome was offered to the delegates at the Governor House and the students had the opportunity to interact with the Hon'ble Governor who explained to them that the Ek Bharat Shreshtha Bharat initiative has been conceptualised with an aim to strengthen people to people connect and build empathy among youth across the nation. The Hon'ble Governor also encouraged the young students to work hard and adopt a focused approach to excel in academics and select a professional career. The Governor encouraged the young students by talking about the importance of exchange of culture, patriotism and importance of the Constitution by the youth of the country. Yuva Sangam 2, an initiative of the Ministry of Education, under Ek Bharat Shreshtha Bharat, aims to foster the exchange of diverse cultures and traditions between the different states and connect the youth to the rich heritage of India.

The team of students and faculty from Odisha also visited the newly inaugurated Constitution Park during their visit where they were told about the significance and the uniqueness of the Constitution of India. The objective and process of the construction of the Constitution Park was also explained to the students.

Later in the day, the delegates were taken for a city tour in Jaipur Metro and they visited some of the famous monuments of Jaipur – Jantar Mantar, City Palace, Hawa Mahal and the walled city of Jaipur. The architectural and historical significance of these sites amazed them. They were told about the Hawa Mahal which is a palace in the city of Jaipur, India, built from red and pink sandstones. They were amazed to see the collection of 19 astronomical instruments at Jantar Mantar, Jaipur which features the world's largest stone sundial. The Jantar Mantar, Jaipur is a collection of 19 astronomical instruments built by the Rajput king Sawai Jai Singh II, the founder of Jaipur, Rajasthan. They also visited the City Palace, Jaipur, the royal residence and former administrative headquarters of the rulers of the Jaipur State in Jaipur, Rajasthan. They interacted with the local people of Jaipur during their shopping time during evening hours and experienced the culture and traditions of Rajasthan during the visit and found the experience enriching.
