I strongly believe that offering students a stress free learning environment, which encourages creativity and critical thinking. In the current challenging time, it is essential that students not only excel in academics but should also develop courtesy, discipline, smart personality, social sensitivity and be imbued with traditional values and culture of our country. EBSB activities are the foundation of the core values essential for the overall development of the future citizen of tomorrow. It is the best time to encourage and congratulate the winners of the competitions and the students who have participated in EBSB activities.
